Advice Letter No. 42070

Public Utilities Commission of the State of California

We attach for filing this Tier I advice letter to make the following changes in tariff sheets:

SCHEDULE CAL.P.U.C. NO. A2.

2nd Revised Sheet 107.1
Original " 107.2

This filing revises Schedule Cal.P.U.C. No. A2. General Regulations, 2.1 Rules, 2.1.16 – Rule 16, Service Connections and Facilities on Customer's Premises, to add clarifying language.

In compliance with General Order 96-B, we are serving a copy of this advice letter and related tariff sheets to interested parties who have requested. This advice letter with attachments may be viewed on AT&T California's Web-Site at <https://ebiznet.att.com/calreg/>. If there are any questions regarding the distribution of this advice letter, call 415.778.1299.

This filing will not increase any rate or charge, cause the withdrawal of service, nor conflict with other schedules or rules.

Anyone may object to this advice letter, which was filed March 27, 2013, by sending a written protest to: Telecommunications Advice Letter Coordinator, Communications Division, 505 Van Ness Avenue, 3rd Floor, San Francisco, CA 94102-3298. The protest must state specifically the grounds on which it is based. The protest must be received by the Telecommunications Advice Letter Coordinator no later than 20 days after the date that the advice letter was filed. On or before the day that the protest is sent to the Telecommunications Advice Letter Coordinator, the protestant must send a copy of the protest to Eric Batongbacal, 525 Market Street, #1944, San Francisco, CA 94105 (fax number 415.543.3766). If this advice letter was served via e-mail, the protest must be served to AT&T California via e-mail at regtss@att.com. To obtain information about the Commission's procedures for advice letters and protests, go to the Commission's Internet site (www.cpuc.ca.gov) and look for document links to General Order 96-B.

This filing is effective March 28, 2013.

Yours truly,

AT&T California

Executive Director

(Cont'd)

A. SERVICE CONNECTION FACILITIES (Cont'd)

4. Underground Service Connection Facilities (Cont'd)

c. On the property to be served¹ - Commercial

The trench or underground supporting structure for service connection facilities will be provided as follows:

- (1) Where the Company determines conduit is to be used for service connection facilities, applicants or customers will construct, maintain, and own the underground structure. Such underground supporting structure will be constructed, at the customer's expense, to the Company's plans and specifications between designated points on the building served and the boundary of the Company's easement or dedicated street as required. (T)
- (a) Where the Company initiates upgrading of its existing services with newer technology to existing commercial buildings on commercial continuous property, that are currently served or were designed to be served, through an existing local loop demarcation point on the property, after exploring other alternatives, Company may construct, at its expense, the underground supporting structure on behalf of the property owner. Upon completion of the constructions, the underground supporting structure shall become the personal property of, and shall be maintained by the property owner. (N)
- (2) Where the Company determines buried wire or cable is to be used for the service connection facilities, the applicant or customer will provide the trench. Such trench will be constructed, at the customer's expense, to the Company's plans and specifications between a designated point on the building served and the boundary of the Company's easement or dedicated street as required. (T)

NOTE 1: The applicant will provide or arrange for the rights necessary for the Company to place service connection facilities on the parcel of property occupied by the applicant and/or to cross an intervening parcel or parcels of property except where the applicant is located on U.S. Government land or on private property surrounded by U.S. Government land. Then, the Company shall obtain the rights necessary to place such facilities on or across such U.S. Government land as required by federal law. These access rights are considered part of the applicants' continuous property. (T)
